

How can you support your child's Design Technology learning at home?

At Junction Farm, we encourage our children to enjoy sharing their learning with their families and carers. If you would like to support your child's learning at home here are some challenges linked to the school units of work.

Early Years	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Use Lego or other building toys and build a house.	Design your bedroom.	Build a Tudor house.	Make a salad at home looking at how to peel, chop and grate.	Bake a Christmas treat.	Practise sewing on a simple bookmark.	Make a doorbell.
Make a Easter bonnet.	Bake a sweet pudding.	Plan and help cook a balanced meal for tea.	Design and make a shelter for explorers.	Make a catapult.	Make a sling shot car.	Make a earthquake proof home.
Make a kite.	Make a dinosaur mask.	Make a pop-up card or book.	Make boats, test if it can float.	Make an African instrument.	Make a pneumatic rocket.	Bake a three-course meal.
