STATEMENT OF COMPLIANCE WITH THE PUBLIC SECTOR EQUALITIES DUTY (PSED)

Date of Next Review: September 2024

Responsible Officer(s): Head teacher

1. Introduction

The single Public Sector Equality Duty (PSED) requires public bodies to promote equality. It has three main elements that requires us to publish information that demonstrates that we have due regard for the need to:

- ✱ **Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2010**
- ✱ **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it
- ✱ **Foster good relations** between people who share a protected characteristic and people who do not share it.

The purpose of this document is to present how our school is meeting the Public Sector Equalities Duty and to set out our Equalities Objectives based on the characteristics of our school population.

2. Policy Statement on Equality and Community Cohesion

Our school is committed to equality both as an employer and a service-provider:

- We try to ensure that everyone is treated fairly and with respect
- We want to make sure that our school is a safe, secure and stimulating place for everyone
- We recognise that people have different needs, and we understand that treating people equally does not always involve treating them all exactly the same
- We recognise that for some pupils extra support is needed to help them to achieve and be successful
- We try to make sure that people from different groups are consulted and involved in our decisions, for example through talking to pupils and parents/carers, and through our School Council
- We aim to make sure that no-one experiences harassment, less favourable treatment or discrimination because of their age; any disability they may have; their ethnicity, colour or national origin; their gender; their gender identity or reassignment; their marital or civil partnership status; being pregnant or having recently had a baby; their religion or beliefs; their sexual identity and orientation.

We welcome our general duty under the Equality Act 2010 to eliminate discrimination, to advance equality of opportunity and to foster good relations, and our specific duties to publish information every year about our school population; to explain how we have due regard for equality; and to publish equality objectives which show how we plan to tackle particular inequalities, and reduce or remove them.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We welcome the emphasis in the Ofsted inspection framework on the importance of narrowing gaps in achievement which affect, amongst others:

- pupils from certain cultural and ethnic backgrounds
- pupils who belong to low-income households and pupils known to be eligible for free school meals
- pupils who are disabled
- pupils who have special educational needs
- Boys and girls in certain subjects.

4. Our Main Equality Challenges

This is a summary of the issues that we are most concerned about.
We are already developing strategies and interventions to tackle some of these concerns.

For some of these issues we have also set and published **equality objectives**. Details of these are in Part 6 of this document.

- Achievement for disadvantaged pupils from low income families
- Creating a climate of understanding and acceptance by all pupils of those with differences – special educational needs, emotional needs, range of backgrounds and family circumstances • Provision for pupils for whom English is an additional language
- Training for staff and governors on Equality and Diversity.

5. How we have due Regard for Equality

The information provided here aims to show that we give careful consideration to equality issues in everything that we do.

5.1 Due regard to the need to eliminate discrimination, harassment and victimisation

Schools are required to have due regard to the need to **eliminate discrimination, harassment and victimisation** and other conduct that is prohibited by the Equality Act 2010.

¹ We do not collect data on pupils who are planning to undergo gender reassignment. However, we recognise that people who are proposing to undergo, who are undergoing or who have undergone a process to reassign their gender may experience discrimination and harassment.

² We do not collect data on the sexual orientation of our pupils. However, as a school we are aware that there may be a number of equality issues for gay, lesbian and bisexual people.

The information below is a summary of how we are aware of this particular requirement and how we respond to it. Please contact us if you would like to see copies of any of our school policies.

- We are aware of the requirements of the Equality Act 2010 that it is unlawful to discriminate, treat some people less fairly or put them at a disadvantage
 - We try to keep an accurate record, when possible and appropriate, of the protected characteristics of our pupils and employees
 - We have a school behaviour policy that treats all children fairly and takes into account their many differences, including culture, ethnicity and ability
 - We deal promptly and effectively with all incidents and complaints of bullying and harassment that may include cyber-bullying and prejudice-based bullying related to disability or special educational need, ethnicity and race, gender, gender reassignment, pregnancy or maternity, religion and belief and sexual orientation.
 - We keep a record of all such incidents and notify those affected of what action we have taken.
 - We provide training to all staff in relation to dealing with bullying and harassment incidents
 - We have a special educational needs policy that outlines the provision the school makes for pupils with special educational needs
- We have an accessibility plan that supports all members of our school community to reach their potential through full access to all areas of school life

Our complaints procedure sets out how we deal with any complaints relating to the school

6. Our Equality Objectives

The Equality Act 2010 requires us to publish specific and measurable equality objectives. Our equality objectives are based on our analysis of data and other information. Our equality objectives focus on those areas where we have agreed to take action to improve equality and tackle disadvantages.

We will regularly review the progress we are making to meet our equality objectives.

6.1 Equality objective 1: Provide training for all staff and governors on equality and diversity

Progress we are making on this objective:

Through the INSET timetable there are opportunities as they arise to provide training on equality and diversity. This will take place through the areas of safeguarding, anti-bullying and EAL. Governors will attend Trustwide training as and when available.

6.2 Equality objective 2: Monitor the achievement of pupils from low income and disadvantaged families (FSM)

Progress we are making on this objective:

During progress meetings with senior leaders and class teachers, the progress of children from low and disadvantage families is discussed as a school priority. Progress is monitored to ensure that they are working at least at age related expectations to ensure the gap is narrowed in comparison to other pupils. Support and interventions are set up to help the progress of all pupils receiving this funding regardless of level.

6.3 Equality objective 3: Promote understanding and respect for differences

Progress we are making on this objective:

The school ethos and curriculum promotes respect for the differences of the school community. Issues are covered through lessons, assemblies and staff training. The school encourages the promotion of British Values as well as valuing the cultural and religious identities of the school.
