

### **Reception Ready**

Each of our schools have developed bespoke, well-sequenced Early Years curriculums to meet our children's unique needs. As a Trust, we have high expectations for all of our children, therefore we have developed key 'Reception Ready' statements to ensure our children have firm foundations in Mathematics for the next stage of their learning journey.

- Have an awareness of numbers in the environment
- Can recite numbers to 10
- Recognise numerals to 5
- Begin to recognise that each counting number is more than the one before.
- Begin to use one-to-one correspondence
- Can represent numbers to 5 in different ways
- Begin to develop the skill of subitising
- Begin to understand positional language.
- Begin to talk about shapes and recognise them in the environment
- In meaningful contexts, use language related to quantities, height/length, mass/weight and capacity/volume.
- Look for and have awareness of patterns and relationships within the environment.
