

**Year 1 Ready: EYFS and The National Curriculum – Bridging the Curriculums
and Preparing for Y1**

Below are the 'Year 1 ready' statements. These are statements that bridge the Early Learning goals to the Y1 National Curriculum statements for Mathematics:

Number

- To know and use the addition, subtraction and equals signs; number bonds to 10.
- Order and compare numbers to 20.
- Begin to use a number line

Numerical Patterns

- Count to 50 beginning at 0; recognise odd and even

Shape Space and Measures

- Recognise and use some coins
- Begin to measure time in simple ways e.g. It is 3 sleeps to my birthday.
- Name some simple 2D and 3D shapes
- Order items according to capacity, length, height, or mass
- Use some positional language

**JUNCTION FARM
PRIMARY SCHOOL**
